REFUNDS

Vehicle Stickers are non-refundable. In limited circumstances, a portion of a quarterly parking permit purchase price may be refundable. If you are moving or are no longer in need of your permit, you may apply for a refund by peeling off the decal and returning it to the Village Parking Service Center. Refunds, if approved, are pro rated for the remainder of the quarter. Refunds will not be made to an individual if the permit was issued through a voucher (i.e. a landlord account) or if purchased under a Village corporate account.

LIABILITY WAIVER - PURCHASE OF A PARKING PERMIT

By purchasing this parking permit, I agree that failure to provide accurate and updated information, including submission of false permit information, will invalidate the permit and result in the loss of parking privileges. The Village will not be responsible for any damage to my vehicle while in a Village parking lot (whether or not such damage results from the condition of the lot or its appurtenances) or for loss of my vehicle, or loss of any property contained in my vehicle. Additionally, I have reviewed the current parking lot guidelines associated with this permit located online at www.oak-park.us/parking/locations.html
