Mission Statement

The Miranda Hall is an event space that believes in connecting the community. Our purpose is to provide businesses and individuals with a venue for events that help to fulfill their charitable goals. We understand the importance of creating nurturing relationships within the community and our event space provides a clean and safe environment for its patrons. The Miranda Hall values community connection and raising awareness. Our event space allows for community leaders, local businesses and families to create lasting memories, while continuing to have a positive impact on the community.

Project Summary

During the last year of operations, The Miranda Hall has made improvements to the building that ensure the highest level of respect for its patrons, local businesses, and residents. These improvements include the following:

1. New Concrete in rear of building which better defined the parking spots associated with our building.
2. An 8ft privacy fence was added to ensure that our dumpster and any overflowing trash is contained specifically to our business.
3. Dumpster pick up is managed twice a week to ensure continued safety and cleanliness around our property.
4. All our staff are required to wear uniform.
5. Established a special management team for walk throughs after every event held at The Miranda Hall. This team ensures that all events are wrapped up within the allotted timeframe, as well as ensures that all cleaning is complete eliminating any inconvenience to any local businesses and/or residents.
6. Daily parameter checks by our janitorial and security staff Mon – Fri (weekends when applicable).

As the owner of The Miranda Hall, my goal is to provide a space for the community to use to serve their philanthropic desires. I understand that in order to do this, I must adhere to the rules and regulations established by the village of Oak Park. I have continued to make improvements to our building and the event space to meet all guidelines and provide the best experience possible for our supporters. I envision The Miranda Hall continuing to have successful events that focus on community outreach while creating an environment of unity in the Oak Park community.

Thank You,

Chetrande E. Gray
