VILLAGE OF OAK PARK TRANSPORTATION COMMISSION MEETING TUESDAY, MARCH 9, 2021 - 7:00 PM

SPECIAL NOTE - The Village President has determined that an in-person meeting is not practical or prudent due to the COVID-19 outbreak during the Governor's disaster proclamation. It is not feasible to have a person present at the regular meeting location due to public safety concerns related to the COVID-19 outbreak during the Governor's disaster proclamation. A special meeting is being conducted remotely with live audio available and optional video. The meeting will be streamed live and archived online for on-demand viewing at www.oak-park.us/commissionty as well as cablecast on VOP-TV, which is available to Comcast subscribers on channel 6 and ATT Uverse subscribers on channel 99. Remote meetings of Oak Park Citizen Commissions are authorized pursuant to Section 6 of Governor J.B. Pritzker's Executive Order 2020-07, with limitations. Governor Pritzker's Executive Order allows for remote participation meetings by public bodies, but public bodies are "encouraged to postpone" meetings and should only hold meetings when "necessary." Executive Order No. 2020-07 (COVID-19 Executive Order No. 5) at Section 6. The Illinois Attorney General issued "Guidance to Public Bodies" regarding the Governor's Executive Order on April 9, 2020. In that guidance, the Attorney General states, "Where a public body does not have critical issues that must be addressed because time is of the essence, cancelling or postponing public meetings may be prudent during the COVID-19 outbreak, rather than holding meetings that could pose a risk of danger to the public." Thus, the test as to whether to hold a meeting is an issue to be discussed is "critical" that must be addressed immediately.

PUBLIC COMMENT - Oak Park Citizen Commissions welcome your statement to be read into the public record at a meeting. Public statements of up to three minutes will be read into the record during Non-Agenda public comment or Agenda Item public comment, as an individual designates. Statements will be provided to the Commission members in their entirety as a single document. Please follow the instructions for submitting a statement provided below. Questions regarding public comment can be directed to (708) 358-5672 or email clerk@oak-park.us.

Non-Agenda public comment is a time set aside at the beginning of each Citizen Commission meeting for public statements about an issue or concern that is not on that meeting's agenda. Individuals are asked to email statements to transportation@oak-park.us

Re: Discussion on Multiple Locations Overnight Trial Permit.

At the November 23, 2020 Village Board meeting, Trustee Andrews suggested the Village implement, on a trial basis, an overnight parking permit that would allow residents to park anywhere throughout the Village. The permit would only override the overnight parking ban (2:30 a.m. – 6:00 a.m.) on side streets, in non-permitted areas detailed in the attached map on page 5. This will ensure that existing parking, traffic and safety regulations are not affected. This permit could only be purchased by residents with a valid Vehicle License through the Passport application.

For background information, Village staff recommends that the commissioners watch the November 23, 2020 board meeting before the next Transportation Commission meeting on Tuesday, March 9, 2021. The meeting can be viewed at www.oak-park.us/village-board-agendas-minutes. Commissioners can fast forward to 1 hour and 6 minutes when the board members discuss the proposed overnight parking permit.

The purpose of this agenda item is for village staff and commissioners to discuss various aspects of the proposed overnight parking permit, including:

- Quantity of parking permits issued.
- Price of the parking permit.
- Length of trial period.
