SPECIAL REMOTE MEETING

Commissioner Colleen Burns	Commissioner Stephanie Browning	Commissioner Mari Davis
Commissioner Kathleen Yannias	Commissioner Brian Roman	Commissioner Terry Herbstritt
Commissioner Victoria Ferrarini		

Mission:

The Disability Access Commission advises the Village Board on public policies to facilitate full participation in community activities by persons with disabilities, to bring persons with disabilities into the mainstream of Oak Park life by recognizing that persons with disabilities can lead proud and productive lives, to promote universal access throughout the Village and to heighten public awareness to the needs of Villagers with disabilities.

SPECIAL NOTE: The Village President has determined that an in-person meeting is not practical or prudent due to the COVID-19 outbreak during the Governor's disaster proclamation. It is not feasible to have a person present at the regular meeting location due to public safety concerns related to the COVID-19 outbreak during the Governor's disaster proclamation. A special meeting is being conducted remotely with live audio available and optional video. The meeting will be streamed live and archived online for on-demand viewing at www.oak-park.us/commissiontv as well as cablecast on VOP-TV, which is available to Comcast subscribers on channel 6 and ATT U-verse subscribers on channel 99. Remote meetings of Oak Park Citizen Commissions are authorized pursuant to Section 6 of Governor J.B. Pritzker's Executive Order 2020-07, with limitations. Governor Pritzker's Executive Order allows for remote participation meetings by public bodies, but public bodies are "encouraged to postpone" meetings and should only hold meetings when "necessary." Executive Order No. 2020-07 (COVID-19 Executive Order No. 5) at Section 6. The Illinois Attorney General issued "Guidance to Public Bodies" regarding the Governor's Executive Order on April 9, 2020. In that guidance, the Attorney General states, "Where a public body does not have critical issues that must be addressed because time is of the essence, cancelling or postponing public meetings may be prudent during the COVID-19 outbreak, rather than holding meetings that could pose a risk of danger to the public." Thus, the test as to whether to hold a meeting is an issue to be discussed is "critical" that must be addressed immediately.
